

Model Year Search Similar Instructions

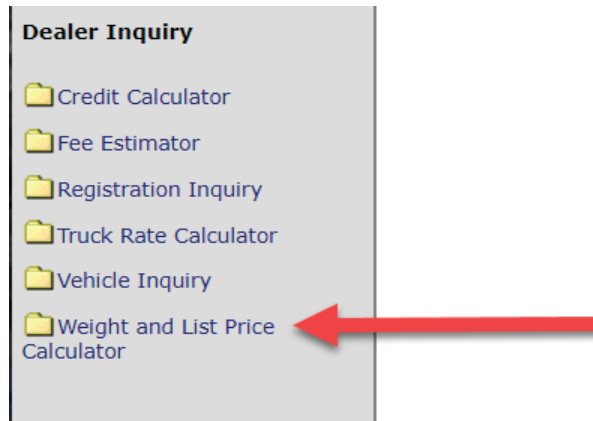

Step 1:

Go to arts.iowadot.gov to login to ARTS.

ARTS
<https://arts.iowadot.gov/>

Step 2:

Click on Weight and List Price Calculator in the left-hand navigation.

Step 3:

Leave VIN field blank. Enter the previous year, make, and model and then click on Calculate.

The image shows the "Weight and List Price Calculator" form. On the left is a navigation menu with "Weight and List Price Calculator" selected. The main form area has a title "Weight and List Price Calculator" and a sub-header "Rate Criteria". Below this, it says "Rates apply to autos and multi-purpose vehicles, plus trucks that are 2010 and newer with weight <= 10,000". There is a prompt "Enter either a VIN or Year/Make/Model". The form includes input fields for "VIN", "Year", "Make" (a dropdown menu), and "Model" (a dropdown menu). A "Calculate" button is located at the bottom right of the form.

Step 4:

Match the VIN Prefix (first eight characters of the VIN) and click on the [+] for the pricing schedule to open. Add \$10.00 to the fee listed. Example: \$310.00 + \$10.00 = \$320.00.
